been used, or that he himself had used his club upon any of the cloakmakers. Patrolmen Holland, Lynch and Cos-

grove, said Capt. Grant, were assailed by the strikers and were in great danger. Then he, at the head of a platoon, went to their rescue. He said the officers were surrounded by a mob of severa thousand strikers, many having im plements in their hands, which they were ready to use at the first op-

"What I did." said Capt, Grant, "was simply to disperse the mob, and I am sure that no unnecessary force was used in doing so. There is no truth whatever in the alleged brutality of the policemen. They simply did the best they could under the circumstances. There was no one severaly hurt."

Esex Market Police Court was crowd-BACRAMENTO, Cal., Oct. 12 .- A dar- ed this morning with striking cloaking train robbery occurred last night makers and friends of the three men bout seven miles beyond Davisville, at who were arrested last evening during a crossing known as Sheep Camp. Four the attack of the police upon the thous

which grazed his temple and filled it with broken bits of glass. Then the engineer called out to Paige to open the door. We're covered with guns, and they will kill us if you don't open," said Scott.

Still Page hesitated, and began to fire through the door, but his aim was wild ad again Scott, in fear of his life, called on the messenger to open, saying that the robbers would surely blow him up unless he gave up.

The messenger finally opened the door. One robber then covered the messenger and engineer and fireman with his rifle, while the other searched for life, while the other searched for coin. He found three sacks, one containing \$200 in silver and two small sacks of gold.

The engineer and fireman were made to carry the booty to the engine. Then the robbers mounted the engine and rode off, leaving the engineer and fireman behind. They went down the road towards Sacramento, and when some distance away, reversed the lever and seen the engine back to the stalled train.

We shouldn't interfere with a policeman, it never trouble them. Do I look as if I would?" said the little man, eyeing the Judge.

"He challenged me to arrest him," but in Shea.

"I asked him not to arrest me," said the Judge.

"The prisoner is discharged." The prisoner is discharged. The prisoner is

sent the engine back to the stalled train.

Luckily the steam was low and when the locomotive came in contact with the forward mall car little damage was done.

Train No. 10, the Oregon express, came along and pushed the detached sections of train No. 3 together, and then into Sacramenio, where they arrived at 12.30 were treated by the police last night.
